Dearest Kides;

Just an short letter here this morning before I go to the chow. Got your letter of 24 July here yesterday was glad to know that you are still alive.

Well everything are just the same as before here in the shop. And M/Sgt. Conn came out here for a bout week and went back to Barber's, Point. Matter of facts that he was very please with the shop and the way thing has been running here.

We have been pretty busy here since they shop shooting in Kroea. I had been flying in the day time and work in the shop at night, You know this don't go well.

It a good thing that I am just a young boy, ha ha ha. some of these old man can't take it. I got another M/Sgt working in he shop with me. He ~~name~~ name is M/Sgt. Scruggs he is pretty fiar in the shop work but not so hot on the equipment. He just made master not long ago.

The air conditaion didn't work like ti should so we have to work little more as yet, We might not to finish before the summer is over. and the coffee maker is going pretty good getting enought coffee.

Just thing last by this time I had a week of schooling at Barber's, point with 38 new men. Now I am just wondering where in the hell I will be next year by this time.

The weather are nice and cool last three days. it been raining off and on. I have not been outto no place to t take some pictures. I might go out some time next week. Talking about taking pictures, Did Willis ever get the Camera back to you ?. Not as that I am worrying about it I just ask. Wait until you see my camera it out this world. Just think if I buy this same camera back int the States I would pay \$\$488.00 and the taxes too it around \$550.00.

Well dear let us call this a letter for now until I do hear from you again some time soon I hope . Give all my ki'ss to the girls for me. Tell than I love than with all my heart .
May god bless you all.

With lots of Love
